LeadMasterVoice
Cricket Pro Click Dialer

No more dialing with your fingers!
And you no longer have to stay on the line while leaving your
pre-recorded message on answering machines and voice mail.

More Sales in Less Time!
Double or Triple your Contacts & Sales

Cost: Only $39 per Month per PC

for Unlimited Calls to USA & Canada - Month to Month - No Contract *

Plus One Time License Fee of <u>$99</u> per PC to Own Cricket Pro Software Forever

Cricket Pro	Features
✔	**Click Dialer** For quick calling of telephone numbers you see anywhere on your computer.
✔	**Recording Conversations** Agents click a button to record conversations on their hard drive.
✔	**Scripts** Your pre-typed scripts can pop up to assist you selling your product or service.
✔	**Simultaneous Unlimited Calls on Unlimited Lines** Speak or click a button to leave a recorded message & instantly move to another call.
✔	**Supervisory Features** For silently monitoring & recording & for whisper coaching your agents.
✔	**Call Transfers & Conferencing** Transfer or conference calls to anyone in the USA or Canada.
✔	**Caller ID** Display any 10 digit Caller ID you wish when you make calls.

**Now you can stop wasting time
dialing telephone numbers by hand
when using LeadMaster CRM.**
